Index of Titles

- ABDUCTOR Paralysis, Bilateral, The Open Approach to Arytenoidectomy for, with a Report of Twenty-Three Cases. De Graaf Woodman, 695.
- Acoustic Probe, The. Max Edward Pohlman, 483.
- Adenoidectomy, Bleeding Following. Tonsillectomy and. Samuel L. Fox and G. Brooks West, Jr., 1032.
- Adenoma of the Bronchus. Louis H. Clerf, 869.
- Agranulocytosis, Infectious Mononucleosis and. Report of a Case. Charles F. Stroebe, Olav Erik Hallberg and John E. Stevens, Jr., 1102.
- Allergy. Bronchopulmonary Infections in Allergic Individuals. F. W. Davison, 884.
- Allergy. Lermoyez's Syndrome—An Allergic Disease. Watt W. Eagle, 453.
- Amines, Aliphatic Versus Aromatic, As Vasoconstrictors. K. K. Chen, 287.
- Anesthesia, Endotracheal, Granuloma of Larynx Following. Frederick T. Hill, 910.
- Angio-Epithelioma of the Postnasal Space. A. E. Cruthirds, 230.
- Angiosarcoma of the Petrous Portion of the Temporal Bone. Report of a Case. Joseph M. Kinkade, 235.
- Arytenoidectomy for Bilateral Abductor Paralysis, The Open Approach to, with a Report of Twenty-Three Cases. De Graaf Woodman, 695.
- Atelectasis in the Newborn. Case Report. Frederick T. Hill, 220.
- Auditory Function, Discussion of Present Methods for Testing. Marvin F. Jones, 311.
- BLAST Injuries, The Repair of the Ear Drum in. Shirley Harold Baron, 143.
- Boeck's Sarcoid of the Nasal Vault. Henry J. Rubin and David H. Kling, 1083.
- Bone Conduction in Fenestration Cases, Observations on. Physiological Considerations. Arthur L. Juers, 28.
- Bronchial Obstruction Due to Congenital Cardiovascular Anomalies, Tracheal and. Paul H. Holinger, Kenneth C. Johnston and Albert R. Zoss, 808.
- Bronchial Scleroma (Rhinoscleroma), Endoscopic Aspects of. Ricardo Tapia Acuña, 894.
- Bronchial Tree, The Volume of the, at Various Levels and Its Possible Physiologic Significance. A. C. Hilding and David Hilding, 324.
- Bronchiectasis in Children, Bronchoscopy in. E. Lamonte Gann, 153.
- Bronchography, Death Following. Report of a Case. James A. Harrill and William B. Alsop, 1088.
- Bronchopulmonary Infections in Allergic Individuals. F. W. Davison, 884.
- Bronchoscopic Experiences with Tumors of the Lower Respiratory Tract. Edwin N. Broyles, 129.
- Bronchoscopic Observations on the Pulmonary Aspects of Fibrocystic Disease of the Pancreas. Joseph P. Atkins, 791.
- Bronchoscopy in Bronchiectasis in Children. E. Lamonte Gann, 153.
- Bronchoscopy in the Newborn: An Analysis of Fifty Cases. Clyde A. Heatly and Ernest B. Emerson, Jr., 802.
- Bronchospirography: Indications and Technique. Charles M. Norris, Joan Long, Morton J. Oppenheimer and Mary R. Wester, 878.

- Bronchus, Adenoma of the. Louis H. Clerf, 869.
- Bronchus, Right, Syphilitic "Tumor" of the. Case Report. A. R. Judd, 858.
- CANCER of the Larynx. A Statistical Study. LeRoy A. Schall and John J. Ayash, 377.
- Cancer of the Larynx, Mortality in. Joseph G. Schoolman, 197.
- Carcinoma, Metastatic, of the Mastoid, Following Carcinoma of the Prostate. Irving Feldberg, 1099.
- Carcinoma of the Trachea. Clarence W. Engler, 429.
- Carcinoma, Squamous Cell, Fibrosarcoma with Underlying Leukoplakia of the Larynx Followed Twenty-Two Months Later by. George O. Cummings, 526.
- DEAFNESS, Nerve, Due to Syphilis, Penicillin Treatment of. Walter E. Loch and Harold A. Tucker, 167.
- Deafness, Psychogenic, Special Techniques for the Diagnosis and Treatment of. William G. Hardy, 65.
- Deafness, Treatment of Certain Types of, by Roentgen Ray Therapy. Nelson A. Youngs and Philip H. Woutat, 984.
- Diphtheria Carriers, Treatment of Chronic Nasal. Report of a Case. Joseph X. Medwick and Olav E. Hallberg, 134.
- Diplacusis, A Case of Traumatic Tonal Dip, Associated with Paracusis and. A. Bachem, 1113.
- EAR Drum, The Repair of, in Blast Injuries. Shirley Harold Baron, 143.
- Ear, Middle, The Effects of Negative Air Pressure in the. Ernest Glen Wever, Merle Lawrence and Kendon R. Smith, 418.
- Ear. The Functions of the Round Window. Ernest Glen Wever and Merle Lawrence, 579.
- Endoscopic Aspects of Bronchial Scleroma (Rhinoscleroma). Ricardo Tapia Acuña, 894.
- Epipharynx, Associated Symptomatology of Diseases of the. Walter H. Theobald, 677.
- Esophageal Hiatal Hernia. F. Johnston Putney, 846.
- Ethmoid Sinuses, Osteoma of the Frontal and. H. Brunner and I. G. Spiesman, 714.
- Eustachian Tube, Obstruction of the, Problems of Diagnosis in. Frederick T. Hill, 343.
- FACE, Multiple Fractures of the, and Primary Shock, Complicated by Congenital Cleft Palate. Report of a Case. Merton N. Flanders, 509.
- Facial Paralysis, Reevaluation of the Implantation of Fascial Strips Through the Masseter Muscle for Surgical Correction of. (Report of Three Additional Cases.) Neal Owens, 55.
- Facial Vein, Anterior, Phlebolith of the. Case Report. James L. McCrory and Morris Davidson, 201.
- Fenestration Cases, Observations on Bone Conduction in. Physiological Considerations. Arthur L. Juers, 28.
- Fenestration Operation, Observations on Surgical Anatomy in the. Samuel Rosen, 1007.
- Fenestration Operation Technic, A Modification of the. Walter E. Loch, 1072.
- Fenestration Operation, The. A Survey of Five Hundred Cases. Howard P. House, 41.
- Fenestration Surgery, Indications for and End Results of. Arthur L. Juers and G. E. Shambaugh, Jr., 397.
- Fibrosarcoma in a Foreign Body Giant Cell Tumor of the Larynx. Leo P. Coakley and George G. Sale, 514.
- Fibrosarcoma with Underlying Leukoplakia of the Larynx Followed Twenty-Two Months Later by Squamous Cell Carcinoma. George O. Cummings, 526.
- Fissula Ante Fenestram of the Human Otic Capsule: II. Aberrant Form and Contents. Barry J. Anson, Earl W. Cauldwell and Theodore H. Bast, 103.

- Foreign Bodies in the Air and Food Passages; A Series of Two Hundred Fifty Cases. Charles M. Norris, 1049.
- Foreign Body Giant Cell Tumor of the Larynx, Fibrosarcoma in a. Leo P. Coakley and George G. Sale, 514.
- Fractures, Multiple, of the Face and Primary Shock, Complicated by Congenital Cleft Palate. Report of a Case. Merton N. Flanders, 509.
- Frontal and Ethmoid Sinuses, Osteoma of the. H. Brunner and I. G. Spiesman, 714.
- Frontal Bone, Epidermoid-Like Lesions of the, Simulating Mucocoele. Report of Two Cases. Kinsey M. Simonton and Joseph X. Medwick, 473.
- GRANULOMA, Eosinophilic, of Temporal Bone Associated with Diabetes Insipidus. A Case Report. J. Lewis Dill, 531.
- Granuloma, Eosinophilic, of the Skull, and Hand-Schüller-Christian Disease. Harold F. Schuknecht and Henry B. Perlman, 643.
- Granuloma of Larynx Following Endotracheal Anesthesia. Frederick T. Hill, 910.
- HAND-SCHULLER-CHRISTIAN Disease and Eosinophilic Granuloma of the Skull. Harold F. Schuknecht and Henry B. Perlman, 643.
- Hearing. A Case of Traumatic Tonal Dip, Associated with Paracusis and Diplacusis. A. Bachem, 1113.
- Hearing Acuity Varying with the Position of the Head. Arthur W. Proetz, 241.
- Hearing Aids, the Efficiency of, Testing Speech-Hearing and. Douglas Marfarlan, 444.
- Hearing Aids. The Evaluation and Practicability of Hearing Aids, with Review of Recent Literature. Gordon Berry, 500.
- Hearing. Discussion of Present Methods of Testing Auditory Function. Marvin F. Jones, 311.
- Hearing Tests, Objective, The Present Status of. H. G. Kobrak, 1018.
- Hearing. The Acoustic Probe. Max Edward Pohlman, 483.
- Hemangioma of the Lateral Pharyngeal Band. Report of a Case. H. I. Lillie and Walter E. Heck, 519.
- Hemoptysis Secondary to Chronic Mediastinal Venous Obstruction. Stanton A. Friedberg, 897.
- Hernia, Esophageal Hiatal. F. Johnston Putney, 846.
- INFECTION, Chronic Sinus, The Etiology, Treatment and Prevention of. S. J. Crowe and James E. Lett, 364.
- Infectious Mononucleosis and Agranulocytosis. Report of a Case. Charles F. Stroebel, Olav Erik Hallberg and John E. Stevens, Jr., 1102.
- Influenzal Laryngitis. David W. Brewer and J. H. Tom Rambo, 96.
- Irradiation of the Thyroid Gland, Complications Following. R. M. Lukens, 633.
- LABYRINTH. Membranous, Electrocoagulation of the. Experimental Histological Studies in the Monkey. LeRoy A. Schall and J. H. Tom Rambo, 590.
- Labyrinth, Streptomycin Toxicity to the. O. P. Moffitt, Jr. and Waymon B. Norman, 999.
- Laryngeal Edema in Epidemic Parotitis. James S. Walker and E. Lamonte Gann, 163.
- Laryngeal Tuberculosis. Observations Based on an Experience of Twenty-Eight Years with Laryngeal Tuberculosis. Edward Anderson Looper and I. B. Lyon, 754.
- Laryngeal Tuberculosis, Streptomycin in Treatment of. Ben T. Withers, 769.
- Laryngectomies, Subperichondral Total, Report of Postoperative Course of. Edward M. Walzl and Edwin N. Broyles, 686.
- Laryngitis, Influenzal. David W. Brewer and J. H. Tom Rambo, 96.
- Laryngology, Neuron Arcs of Clinical Significance in. A. C. Furstenberg and Elizabeth Crosby, 298.

- Laryngoscopy, Direct. A Simplified Technique. An Aid to the Early Detection of Laryngeal Cancer. Sam Roberts and Frank S. Forman, 245.
- Larynx, Cancer of the. A Statistical Study. LeRoy A. Schall and John J. Ayash, 377.
- Larynx, Cancer of the, Mortality in. Joseph G. Schoolman, 197.
- Larynx, Fibrosarcoma in a Foreign Body Giant Cell Tumor of the. Leo P. Coakley and George G. Sale, 514.
- Larynx, Fibrosarcoma with Underlying Leukoplakia of the, Followed Twenty-Two Months Later by Squamous Cell Carcinoma. George O. Cummings, 526.
- Larynx, Granuloma of, Following Endotracheal Anesthesia. Frederick T. Hill, 910.
- Larynx, Moniliasis of the. Report of Two Cases. Claude C. Cody, 371.
- Larynx, The Respiratory Function of the. II. The Elementary Physiology of the Recurrent Laryngeal Nerve. John A. Murtagh and Clarence J. Campbell, 465.
- Lermoyez's Syndrome—An Allergic Disease. Watt W. Eagle, 453.
- MASTOID, Metastatic Carcinoma of the, Following Carcinoma of the Prostate. Irving Feldberg, 1099.
- Mastoiditis in Scarlet Fever, Incidence of Otitis Media and. Max J. Fox and Veronica L. Minning, 489.
- Mastoiditis, Low Incidence of, in a Series of Cases Treated without Sulfonamides. Harry Butler, 992.
- Maxillary Sinus, Tuberculosis of the. Report of a Case Treated with Streptomycin. H. James Hara and Waldo E. Crane, 1077.
- Meningitis, Acute Pyogenic, Following Tonsillectomy, with Recovery. A Case Report. Harry S. Fein, 207.
- Middle Ear and the Temporal Bone, Tuberculosis of the. John G. Adams, 980.
- Middle Ear Prosthesis, Tantalum-Acrylic. Charles P. Lebo and Amiel L. Palermo, 1027.
- Middle Ear, The Effects of Negative Air Pressure in the. Ernest Glen Wever, Merle Lawrence and Kendon R. Smith, 418.
- Moniliasis of the Larynx: Report of Two Cases. Claude C. Cody, 371.
- NASAL Vault, Boeck's Sarcoid of the. Henry J. Rubin and David H. King, 1083.
- Neuron Arcs of Clinical Significance in Laryngology. A. C. Furstenberg and Elizabeth Crosby, 298.
- Nose. Surgery of the Nasal Septum—New Operative Procedures and Indications. Maurice H. Cottle and Roland M. Loring, 705.
- OBITUARIES:
Shambaugh, George E., 281.
Wilson, J. Gordon, 1121.
- Orbital Complications Resulting from Lesions of the Sinuses. Austin T. Smith and James T. Spencer, 5.
- Ossicles, Auditory, the Otic Capsule and the Extracapsular Tissues, The Development of the. Barry J. Anson, Theodore H. Bast and Earl W. Cauldwell, 603.
- Osteoma of the Frontal and Ethmoid Sinuses. H. Brunner and I. G. Spiesman, 714.
- Otic Capsule and the Extracapsular Tissues, The Development of the Auditory Ossicles, the. Barry J. Anson, Theodore H. Bast and Earl W. Cauldwell, 603.
- Otic Capsule, Human, The Fissula Ante Fenestram of the. II. Aberrant Form and Contents. Barry J. Anson, Earl W. Cauldwell and Theodore H. Bast, 103.
- Otitis Media and Mastoiditis, Incidence of, in Scarlet Fever. Max J. Fox and Veronica L. Minning, 489.
- PARACUSIS and Diplacusis, A Case of Traumatic Tonal Dip, Associated with. A. Bachem, 1113.
- Paralysis, Bilateral Abductor, The Open Approach to Arytenoidectomy for, with a Report of Twenty-Three Cases. De Graaf Woodman, 695.

- Paralysis, Facial, Reevaluation of the Implantation of Fascial Strips Through the Masseter Muscle for Surgical Correction of. (Report of Three Additional Cases.) Neal Owens, 55.
- Parotitis, Epidemic, Laryngeal Edema in. James S. Walker and E. Lamonte Gann, 163.
- Penicillin Treatment of Nerve Deafness Due to Syphilis. Walter E. Loch and Harold A. Tucker, 167.
- Pharyngeal Band, Lateral, Hemangioma of the. Report of a Case. H. I. Lillie and Walter E. Heck, 519.
- Phlebolith of the Anterior Facial Vein. Case Report. James L. McCrory and Morris Davidson, 201.
- Postnasal Space, Angio-Epithelioma of the. A. E. Cruthirds, 230.
- Prosthesis, Tantalum-Acrylic Middle Ear. Charles P. Lebo and Amiel L. Palermo, 1027.
- "REVERSE King Operation", The. Lewis F. Morrison, 945.
- Rhinoscleroma Apparently Cured with Streptomycin. Gordon B. New, Lyle A. Weed, Donald R. Nichols and Kenneth D. Devine, 412.
- Rhinosporidiosis Coexisting with Leprosy, A Case of. Erich Rosenbaum, 223.
- Roentgen Ray Therapy, Treatment of Certain Types of Deafness by. Nelson A. Youngs and Philip H. Woutat, 984.
- Round Window, The Functions of the. Ernest Glen Wever and Merle Lawrence, 579.
- SCLEROMA, Bronchial, (Rhinoscleroma), Endoscopic Aspects of. Ricardo Tapia Acuña, 894.
- Septum, Nasal, Surgery of the.—New Operative Procedures and Indications. Maurice H. Cottle and Roland M. Loring, 705.
- Sinus Infection, Chronic, The Etiology, Treatment and Prevention of. S. J. Crowe and James E. Lett, 364.
- Sinus, Maxillary, Tuberculosis of the. Report of a Case Treated with Streptomycin. H. James Hara and Waldo E. Crane, 1077.
- Sinuses, Frontal and Ethmoid, Osteoma of the. H. Brunner and I. G. Spiesman, 714.
- Sinuses, Lesions of the, Orbital Complications Resulting from. Austin T. Smith and James T. Spencer, 5.
- Skin Tests, A Method and Apparatus for the Rapid Performance of. D. H. Walker, 1041.
- Skull, Eosinophilic Granuloma of the, and Hand-Schüller-Christian Disease. Harold F. Schuknecht and Henry B. Perlman, 643.
- Skull Roentgenograms of Interest to the Otolaryngologist. Francis H. McGovern, G. Slaughter FitzHugh and George Cooper, Jr., 387.
- Streptomycin in Treatment of Laryngeal Tuberculosis. Ben T. Withers, 769.
- Streptomycin in Tuberculous Tracheobronchitis, The Use of. John J. O'Keefe, 784.
- Streptomycin, Rhinoscleroma Apparently Cured with. Gordon B. New, Lyle A. Weed, Donald R. Nichols and Kenneth D. Devine, 412.
- Streptomycin, Toxic Effects of, on the Vestibular Apparatus of the Cat, An Experimental Study of the. Part I. The Central Nervous System. Jules Winston, F. H. Lewey, André Parenteau, Philip A. Marden and Faith B. Cramer, 738.
- Streptomycin Toxicity, Relation of Dosage to. Ralph Tompsett, 181.
- Streptomycin Toxicity to the Labyrinth. O. P. Moffitt, Jr., and Waymon B. Norman, 999.
- Streptomycin. Tuberculosis of the Maxillary Sinus. Report of a Case Treated with Streptomycin. H. James Hara and Waldo E. Crane, 1077.
- Sulfonamides, Low Incidence of Mastoiditis in a Series of Cases Treated without. Harry Butler, 992.

- Surgery, Fenestration, Indications for and End Results of. Arthur L. Juers and G. E. Shambaugh, Jr. 397.
- Surgery of the Nasal Septum—New Operative Procedures and Indications. Maurice H. Cottle and Roland M. Loring, 705.
- Surgical Anatomy in the Fenestration Operation, Observations on. Samuel Rosen, 1007.
- Syphilis, Nerve Deafness Due to, Penicillin Treatment of. Walter E. Loch and Harold A. Tucker, 167.
- Syphilitic "Tumor" of the Right Bronchus. Case Report. A. R. Judd, 858.
- TEMPORAL Bone, Angiosarcoma of the Petrous Portion of the. Report of a Case. Joseph M. Kinkade, 235.
- Temporal Bone, Eosinophilic Granuloma of, Associated with Diabetes Insipidus. A Case Report. J. Lewis Dill, 531.
- Temporal Bone, Tuberculosis of the Middle Ear and the. John G. Adams, 980.
- Thyroid Gland, Complications Following Irradiation of the. R. M. Lukens, 633.
- Tonal Dip, Traumatic, A Case of, Associated with Paracusis and Diplacusis. A. Bachem, 1113.
- Tonsil Tags, A Clinical and Pathological Study of. J. Oliver Gooch and Harold I. Lillie, 957.
- Tonsillectomies, Simultaneous Poliomyelitis in Four Brothers, Two of Whom Had Recently Had. A. C. Hilding, 217.
- Tonsillectomy, Acute Pyogenic Meningitis Following, with Recovery. A Case Report. Harry S. Fein, 207.
- Tonsillectomy and Adenoidectomy, Bleeding Following. Samuel L. Fox and G. Brooks West, Jr., 1032.
